DECLARATION OF NON-DISCLOSURE

I as participant of the student innovation competition named VETATHON, organized jointly by the University of Veterinary Medicine Budapest and Óbuda University to be held on 11. April 2023 and 21-22. April 2023, I acknowledge that I will have access to certain confidential information. This information includes, but is not limited to the following: research results, protocols, technological solutions, organisations, personal data, intellectual property.

I shall

- a) treat these information as confidential;
- b) not disclose these information to any third party (including the Media) without the previous consent in writing from the owner of the data/information;
- c) not use any parts or the whole data/information in scientific publications.
- d) not use any parts or the whole data/information for my or other's profit.

I acknowledge that the obligation of confidentiality under this Declaration shall continue and survive after the VETATHON competition, without time limit.

I acknowledge that in case of breaching of the obligation of confidentiality the legal consequences of the law of Hungary, especially but not exclusively the Civil Code.
